

#Femme SERVICES

HAIR CARE

Cut & Style	390
Kids Cut	160
Blow Dry	150 - 360

Hair Updo It can be as simple as a ponytail or an elaborated hair arrangement intended for a special occasion.	UC
--	----

Braids Get your hair game on with a simple three-strand braid, some trendy boxing braids or a full-braided head 'Rastafari style'!	110 - 310
--	-----------

#CHALK Special A total makeover tailored to your style and creatively designed according to your facial features.	UC
---	----

COLOR

W/A with ammonia.
W/OA without ammonia.

Root Color: W/A	220 - 330
Root Color: W/OA	250 - 380
Full Color: W/A	430 - 530
Full Color: W/OA	480 - 580
Half Head Highlights	440 - 590
Full Head Highlights	550 - 700
Ombre / Balayage	UC
Bleach	450 - 550

Toner Used for personalizing your unique hair color to add natural or more visible tones after a professional color treatment.	190 - 490
--	-----------

Color Correction A color correction that helps neutralize any unwanted tones in your hair color. It is a very detailed process and while some color corrections can be done in a step or two, others can be very complex and require several visits to the salon.	UC
---	----

Hair Extensions The perfect method for easy and quickly adding length, volume and highlights. We have clip-in, tape-in and ponytail options available in Mongolian or Premium European hair.	UC
--	----

TREATMENT

Treat Me Straightening A hair smoothing treatment to eliminate frizz and provide straightening. It bonds protein to the outer layer of the hair, which helps smooth, soften, and relax it!	1500 - 3000
--	-------------

Treat Me Hair Loss A breakthrough treatment to reduce hair loss and maintain the density of thinning hair. By nourishing the scalp with multi-vitamins and Omega 6, and preventing the stiffening of hair collagen, we achieve unparalleled results.	180 - 300
--	-----------

Blame It On Dubai Treatment The water, the sun, the beach, the styling for fancy events. This range of treatments deliver deep conditioning, shine and long-lasting nourishment. Plant derived 'Super Proteins' strengthen and repair damage caused by heat, styling and humidity, so that no matter how 'tough' your Dubai life is, your hair is always on point.	100 - 200
--	-----------

Phillip B Four Step Treatment A treatment based on pure botanicals, packed with super light essential oils. This award-winning conditioning treatment sinks right in, offering long-term repair to all hair types and improving scalp conditions such as dandruff.	450
--	-----

Phillip B Amber Treatment An indulgently luxurious and botanical treatment that restructures, revitalizes, revives and regenerates all hair types. Prevents breakage, restores natural shine and luster, bounce and body lost by chemicals and styling.	650
---	-----

OLAPLEX Treatment Rebuilds the damaged bonds in your hair that are broken during the chemical process. Restores the strength, structure and integrity of your hair during or after coloring.	150 - 250
--	-----------

CHALK

FACE

GLAMGLOW Facial

170

An express facial to steam, cleanse, exfoliate, masque and moisture your skin that instantly produces a noticeable glow that lasts for days!

#CHALK Facial

360

A signature facial customized to your skin type. An indulgent experience to steam, cleanse, exfoliate, masque and moisturize your skin with the most luxurious products, combined with a face massage that lifts and firms the skin for a youthful-looking complexion.

LVL Lash Lift

390

By straightening your natural lashes at the root and then tinting them, this revolutionary treatment gives you the appearance of longer, thicker lashes.

Hair Styling	130

#CHALK Special

A total makeover tailored to your style and creatively designed according to your facial features.

UC

BEARD

Beard Trim

A scented steamed towel to open the pores, followed by meticulously shaping or shaving your beard with the trimmer and ending with a cold towel and a post-shave balm.

90

Clean Shave

A sensory experience that starts with a pre-shave oil and a hot towel, followed by a flawless shave and ending with a post-shave balm, leaving you refreshed and invigorated.

120

#CHALK Shave

A revitalizing experience that starts with a scented steaming hot towel, steam, face wash and scrub to gently cleanse and refresh your skin. We then apply a pre-shave oil, prior to meticulously shaping or shaving your beard, and topping it off with a masque, a cold towel to close the pores, post-shave balm and cologne.
